

We Are **STEINER STARS**

SWIM TEAM

OUR STORY

The Steiner Ranch Stars Swim Team is a private, non-profit swim team based in the Steiner Ranch subdivision in Austin, Texas. The team was formed in 2001 and has grown to approximately 500+ swimmers, ages 5-17. We are a summer team swimming in the Northwest Swim Circuit (NWSC) where the swimmers practice beginning in April through July five days a week and attend swim meets on the weekends across the Austin area.

OUR GOAL

The Stars team coaches strive to provide a positive swimming environment for young people, combining an emphasis on the technical, psychological and social aspects of swimming, and to support the broad range of individual goals and abilities of our team members.

Each year, we send over 200 children to an Invitational Swim Meet to compete against hundreds of swimmers throughout Central Texas.
